

Template of Abstract Submission for 7th European Cyclodextrin Conference (ECC23)

Author names (Word Style "Authors"). Use first names, initials, and surnames (e.g., John R. Smith). Underline the author who will be presenting the work.

*Author address (Word Style "Author_Address"). Please list both Institution and Department with Institution. Street address should not be included Nationality is included.
(E-mail Address)*

This document serves both as the template for ECC23 abstracts and as an example of what the abstract should look like when completed.¹ The abstract should be limited to a single A4 page and should be prepared in 12-point Times or Times-Roman, or an equivalent font. The Title should be in 14-point Helvetica (or the equivalent). The abstract may include figures, equations, etc., as appropriate. Do NOT alter the page setup of this template document. The abstract is NOT allowed to exceed one page.

Picture/chart/table can be added. Take care of the resolution (at least 300 dpi)

If the abstract contains special symbols (e.g., Greek characters) please check carefully that the symbols have been converted properly.

The deadline for submission of abstracts is **May 31, 2023**.

Acknowledgement (if necessary)
